

ASTROJET™ S1

Powered by 
memjet

Introducing the new S1 Color Printer! The next level of Memjet® inkjet performance, versatility and ease of operation. The reconfigured Print Engine allows a flatter, unobstructed printing path for crisp, clean results job after job. New automated media adjustment controls handle a wider variety of media. Print quality up to 1600 dpi for sharp graphic images in full process color. Bright, easy-to-use 7" Touchscreen Display simplifies Printer operation and monitoring.

Product Highlights:

Designed and manufactured in U.S.A by:
Astro Machine Corp.,

- **Operator friendly 7" Touchscreen Display:**
Monitor printer status, ink levels, job status and more at a glance
Touchscreen buttons control often-used printer functions
- **Excellent, smear-free printing on envelopes and other difficult media**
- **Fast: print speeds up to 9,000 envelopes per hour**
- **Economical. Very low cost-per-copy**
- **Media Adjustment handles a variety of media up to 10.5" wide and 0.4" thick – from small envelopes to thick corrugated cardboard and padded envelopes**
