If, in the sole opinion of the State, the return of such infringing Deliverables or Software makes the retention of other Deliverables or Software acquired from the Contractor under this Contract impractical, the State shall then have the option of terminating such Contracts, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such Deliverables or Software and refund any sums the State has paid Contractor less any reasonable amount for use or damage.
- d) The Contractor shall have no liability to the State under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement which is based upon:

Contractor's written demand shall be fully supported by factual information, and if such demand involves a cost adjustment to the Contract, Contractor shall include with the demand a written statement signed by an authorized person indicating that the demand is made in good faith, that the supporting data are accurate and complete and that the amount requested accurately reflects the Contract adjustment for which Contractor believes the State is liable. If the Contractor is not satisfied with the decision of the Department Director or designee, the Contractor may appeal the decision to the Department of General Services, Deputy Director, Procurement Division. In the event that this Contract is for Information Technology Goods and/or services, the decision may be appealed to an Executive Committee of State and Contractor personnel.

 - c) Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Department Director or designee or Deputy Director, Procurement Division if an appeal was made. If the State fails to render a final decision within 90 days after receipt of Contractor's demand, it shall be deemed a final decision adverse to Contractor's contentions. The Stop Work Order shall be specifically identified as such and shall indicate it is issued under this clause. Upon receipt of the Stop Work Order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the Stop Work Order during the period of work stoppage.  - (ii) The Contractor asserts its right to an equitable adjustment within 30 days after the end of the period of work stoppage; provided, that if the State decides the facts justify the action, the State may receive and act upon a proposal submitted at any time before final payment under this Contract.
 - c) If a Stop Work Order is not canceled and the work covered by the Stop Work Order is terminated in accordance with the provision entitled Termination for the Convenience of the State, the State shall allow reasonable costs resulting from the Stop Work Order in arriving at the termination settlement.
 - d) The State shall not be liable to the Contractor for loss of profits because of a Stop Work Order issued under this clause.

a. General

In the event that the Contractor fails to deliver in accordance with the Contract requirements, the parties agree that the delay will interfere with the proper implementation of the State's programs, to the loss and damage of the State. From the nature of the case, it would be impracticable and extremely difficult to fix the actual damages sustained in the event of any such delay. Amounts due the State as liquidated damages may be deducted by the State from any money payable to the Contractor. The State shall notify the Contractor in writing of any claim for liquidated damages pursuant to this paragraph on or before the date State deducts such sums from money payable to the Contractor.

b. Timing of Delivery

- i) Contractor will be liable for any liquidated damages for late performance (including late delivery) specified in the Statement of Work if Contractor fails to provide any subject service or deliver any subject Deliverable, ready for use in substantial conformance with its specifications, on or before the Delivery Dates in the Statement of Work. Unless otherwise specified in the Statement of Work: (A) such liquidated damages will stand in lieu of all other damages for such late performance or nonperformance; and (B) if the Contractor fails to provide a software Deliverable listed in the Statement of Work by the specified Delivery Date, but provides suitable substitution of software acceptable to the State, liquidated damages shall not apply to the listed software Deliverable.
- ii) The State will pay additional monetary compensation for early performance to the extent specifically called for in the Statement of Work.
