e. INDEPENDENT CONTRACTOR

It is agreed that nothing contained herein is intended or should be construed in any manner as creating or establishing the relationship of partners between the parties hereto. The contractor represents that it has, or will secure at its own expense, all personnel required to perform the services under the contract. The contractor's employees and other persons engaged in work or services required by the contractor under the contract shall have no contractual relationship with the State; they shall not be considered employees of the State.

If the contractor intends to utilize any subcontractors' services, the subcontractors' level of effort, tasks and time allocation must be clearly defined in the contract. The contractor shall agree that it will not utilize any subcontractors not specifically included in this contract, in the performance of the contract, without the prior written authorization of the State. Following execution of the contract, the contractor shall proceed diligently with all services and shall perform such services with qualified personnel in accordance with the contract.

In respect to its employees, the contractor agrees to be responsible for the following:

- 1) any and all employment taxes and/or other payroll withholding;
- 2) any and all vehicles used by the contractor's employees, including all insurance required by state law;
- 3) damages incurred by contractor's employees within the scope of their duties under the contract;

Notice of cancellation of any required insurance policy must be submitted to the State when issued and a new coverage binder shall be submitted immediately to ensure no break in coverage.

h. STATE OF NEBRASKA PERSONNEL RECRUITMENT PROHIBITION

The contractor shall make a good faith effort not to, at any time, knowingly recruit or employ any State employee or agent who is working with the contract or in relation to this contract.

i. CONFLICT OF INTEREST

The contractor certifies that there does not now exist any relationship between the contractor and any person or entity which is or gives the appearance of a conflict of interest related to this contract or project.

The contractor certifies that it shall not take any action or acquire any interest, either directly or indirectly, which will conflict in any manner or degree with the performance of its services hereunder or which creates an actual or appearance of conflict of interest.

The contractor certifies that it will not employ any individual known by contractor to have a conflict of interest.

j. ATTORNEY'S FEES

In the event of any litigation, appeal or other legal action to enforce any provision of the contract, the Parties agree to pay all expenses of such action, as permitted by law and ordered by the court, including attorney's fees and costs, if the other Party prevails.

work outside of the daily operational hours set forth by the State, it must make arrangements with the State to ensure access to the facility and the equipment has been arranged. No additional payment will be made by the State on the basis of lack of access, unless the State fails to provide access as agreed to between the State and the contractor.

m. EARLY TERMINATION

The contract may be terminated as follows:

The State's obligation to pay amounts due for fiscal years following the current fiscal year is contingent upon legislative appropriation of funds for the contract. Should said funds not be appropriated, the State may terminate the contract with respect to those payments for the fiscal years for which such funds are not appropriated. The State will give the contractor written notice thirty (30) days prior to the effective date of any termination, and advise the contractor of the location (address and room number) of any related equipment. All obligations of the State to make payments after the termination date will cease and all interest of the State in any related equipment will terminate. The Contractor shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. Payment will be made by the responsible agency in compliance with the State of Nebraska Prompt Payment Act (See Neb. Rev. Stat. §81-2401 through 81-2408). The State may require the Contractor to accept payment by electronic means such as ACH deposit. In no event shall the State be responsible or liable to pay for any services/goods provided by the contractor prior to receipt, and the contractor hereby waives any claim or cause of action for any such services/goods

q. INVOICES

Invoices for payments must be submitted by the Contractor to the agency requesting the services/goods with sufficient detail to support payment. The terms and conditions included in the Contractor's invoice shall be deemed to be solely for the convenience of the parties. No terms or conditions of any such invoice shall be binding upon the State, and no action by the State, including without limitation the payment of any such invoice in whole or in part, shall be construed as binding or estopping the State with respect to any such term or condition, unless the invoice term or condition has been previously agreed to by the State as an amendment to the contract.

r. TAXES

Purchases of goods or services made by the State of Nebraska are exempt from the payment of Federal Excise Taxes, and exemption certificates will be furnished on request. State and local taxes are exempt by State Statute Section 77-2704 (l) (m). Exemption by statute precludes the furnishing of State exemption certificates.

s. CHANGES IN SCOPE/CHANGE ORDERS

The State may, at any time with written notice to the Contractor, make changes within the general scope of the contract. Changes in scope shall only be conducted with the written approval of the State's designee as so defined by the State from time to time. Corrections of any deliverable services/goods or performance of work required pursuant to the contract shall not be deemed a modification requiring a change order.

The State and the Contractor, upon the written agreement, may make changes to the contract within the general scope of the RFP. Changes may involve specifications, the quantity of work, or such other items as the State may find necessary or desirable. Corrections of any deliverable, service, or work required pursuant to the contract shall not be deemed a change. The Contractor may not claim forfeiture of the contract by reasons of such changes.

The Contractor shall prepare a written description of the work required due to the change and an itemized cost sheet for the change. Changes in work and the amount of compensation to be paid to the Contractor shall be determined in accordance with applicable unit prices if any, a pro-rated value, or through negotiations. The State shall not incur a price increase for changes that should have been included in the Contractor's proposal, were foreseeable, or result from difficulties with or failure of the Contractor's proposal or performance.

**MAILROOM EQUIPMENT, SUPPLIES &
MAINTENANCE**

 Led by the State of Arizona

No change shall be implemented by the Contractor until approved by the State, and the Contract is amended to reflect the change and associated costs, if any. If there is a dispute regarding the cost, but both parties agree that immediate implementation is necessary, the change may be implemented, and cost negotiations may continue with both Parties retaining all remedies under the contract and law.

t. LIMITATION OF LIABILITY

It is understood by the parties that in the State of Nebraska's opinion, any limitation on the contractor's liability is unconstitutional under the Nebraska State Constitution, Article XIII, Section 3, and that any limitation of liability shall not be binding on the State of Nebraska despite inclusion of such language in documents supplied with the contractor's bid or in the final contract.

u. INDEMNIFICATION
1) GENERAL

The contractor agrees to defend, indemnify, hold, and save harmless the State and its employees, volunteers, agents, and its elected and appointed officials ("the indemnified parties") from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses ("the claims"), sustained or asserted against the State, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the Contractor, its employees, subcontractors, consultants, representatives, and agents, except to the extent such Contractor liability is attenuated by any action of the State or its employees, or its elected and appointed officials which directly and proximately contributed to the claims.

2) PERSONNEL

The contractor shall, at its expense, indemnify and hold harmless the State from and against any claim with respect to withholding taxes, worker's compensation, employee benefits, or any other claim, demand, liability, damage, or loss of any nature relating to any of the personnel provided by the Contractor.

All claims on behalf of any person arising out of employment or alleged employment (including without limit claims of discrimination against the Contractor, its officers or its agents) shall in no way be the responsibility of the State. The Contractor will hold the State harmless from any and all such claims. Such personnel or other persons shall not require nor be entitled to any compensation, rights or benefits from the State including without limit, tenure rights, medical and hospital care, sick and vacation leave, severance pay or retirement benefits.

v. SELF-INSURANCE

The State of Nebraska is self-insured for any loss and purchases excess insurance coverage pursuant to Neb. Rev. Stat. § 81-8,239.01 (Reissue 2008). If there is a presumed loss under the provisions of this agreement, Contractor may file a claim with the Office of Risk Management pursuant to Neb. Rev. Stat. §§ 81-8,829 – 81-8,306 for review by the State Claims Board. The State retains all rights and

Notwithstanding any clause to the contrary, any claim for additional fees, interest (unless authorized by statute), penalties, damages, costs, or other financial liabilities shall be made under this clause.

w. **ATTORNEY GENERAL AUTHORITY**

The Parties acknowledge that Attorney General for the State of Nebraska is required by statute to represent the legal interests of the State, and that any provision of this indemnity clause is subject to the statutory authority of the Attorney General.

x. **DRUG POLICY**

Contractor certifies it maintains a drug free work place environment to ensure worker safety and workplace integrity. Contractor agrees to provide a copy of its drug free workplace policy at any time upon request by the State.

y. **EMPLOYEE WORK ELIGIBILITY STATUS**

The Contractor is required and hereby agrees to use a federal immigration verification system to determine the work eligibility status of employees physically performing services within the State of Nebraska. A federal immigration verification system means the electronic verification of the work authorization program authorized by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996, 8 U.S.C. 1324a, known as the E-Verify Program, or an equivalent federal program designated by the United States Department of Homeland Security or other federal agency authorized to verify the work eligibility status of a newly hired employee.

z. **POLITICAL SUB-DIVISIONS**

Contractor may extend the Contract to political subdivisions conditioned upon the honoring of the prices charged to the State. Stat. § 81-145, listed as "all officers of the state, departments, bureaus, boards, commissions, councils, and institutions receiving legislative appropriations." The rate at which the interest portion of Quarterly Payments is calculated is not intended to exceed the maximum rate or amount of interest permitted by applicable law. If such interest portion exceeds such maximum, then at our option, if permitted by law, the interest portion will be reduced to the legally permitted maximum amount of interest, and any excess will be used to reduce the principal amount of your obligation or be refunded to you. OPTION C -- NASPO VALUEPOINT FAIR MARKET VALUE LEASE TERMS AND CONDITIONS:

Pitney Bowes Global Financial Services LLC will serve as a sub-contractor under ADSPO16-169897, as amended, and will be the Lessor under this Fair Market Value Lease Terms and Condition Agreement. PBGFS does not warrant, service or otherwise support the equipment. Those services are provided by Pitney Bowes Inc. (PBI). Due to federal regulations, only PBI can own a Meter. This Agreement cannot be used for Production Equipment Categories (Production Ink Jet Envelope Addressing System, Production Tabbers, Inserter Production, Production Folder-Inserter, Pre-Sorting Equipment) awarded under ADSPO16-00006328- to Pitney Bowes Inc.

The Pricing Plan for the NASPO ValuePoint Fair Market Value Lease Terms and Conditions is as follows:

Monthly Rate Factors:

<u>Term:</u>	<u>Lease Rate:</u>
36	.0342
48	.0277
60	.0237

Total Value of the Order multiplied by the applicable Monthly Rate Factor = Monthly Equipment Lease Payment, plus applicable monthly meter rental and value based service fees, plus the monthly cost of service maintenance for years 2 thru end of initial term, plus any applicable taxes, multiplied by three (3) months = equals the Quarterly Payment.

For further clarification a 36 month lease based on a \$10,000 equipment order would equal a \$342.00 monthly equipment lease payment multiplied by 3 months equaling a \$1,026 quarterly lease payment. Applicable quarterly cost of service maintenance for years 2 thru end of initial term, quarterly meter rental and value based services fees, plus any taxes, if applicable, would be added to the Quarterly payment.

The following provisions apply to the optional Purchase Power Program (the "Program"). Additionally, you will receive from us a set of more specific provisions within thirty (30) days of the date of this Agreement.

P1.1 **General.** (a) In order to participate in the Program, you must provide the information described in Section P1.8. (b) The Purchase Power credit line is a product of the Bank and is not available to individuals for personal, family, or household purposes.

P1.2 **Account Charges.** (a) Your Purchase Power account (the "Account") will be charged for the amount of postage, products, and services requested and the related fees, if applicable. (b) Unless prohibited by law, you agree to pay the fees and charges of which the Bank has given you notice, including those relating to: (i) transaction fees, if applicable; (ii) if transaction fees are inapplicable, overage fees; (iii) your failure to pay in a timely manner; (iv) your exceeding your credit line; and (v) fees attributable to the return of any checks.

P1.3 **Billing, Payments, and Collection.** (a) You will receive a billing statement for each billing cycle in which you have activity on the Account. The Bank may deliver any statement electronically to the email address that is then on file for you. (b) Payments are due by the due date shown on your billing statement. (c) You may pay the entire balance due or a portion of the balance, provided that you pay at least the minimum payment shown on the statement. In the event of a partial payment, you will be responsible for the unpaid balance.

P1.4 **Deferred Payment Terms.** (a) By using the Program, you agree that whenever there is an unpaid balance outstanding on the Account which is not paid in full by the due date shown on your billing statement, the Bank will charge you, and you will pay, interest on the unpaid balance of the Account from time to time, for each day from the date the transaction is posted to the Account until the date the unpaid balance is paid in full, at a variable rate equal to the Annual Percentage Rate applicable to the Account from time to time. (b) (i) The Annual Percentage Rate applicable to the Account will be: the greater of (a) 22% and (b) the sum of the highest "Prime Rate" published in the "Money Rates" section of *The Wall Street Journal* on the last business day of the month and the margin set forth below (the sum of the margin and the Prime Rate is herein called the "Floating Rate"); (ii) The Annual Percentage Rate will be adjusted on a monthly basis based on any fluctuation in the Floating Rate, if applicable. (iii) Any change in the Annual Percentage Rate based on the calculation described in this section will become effective on the first day of your next billing cycle. (iv) The margin which will be added to the Prime Rate to determine the Floating Rate will be 14.75% (using the Prime Rate in effect as of March 31, 2013, the daily periodic rate would be .049315% and the corresponding annual percentage rate would be 18.00%). (v) The Account balance that is subject to a finance charge each day will include (a) outstanding balances, minus any payments and credits received by the Bank on the Account that day, and (b) unpaid interest, fees, and other charges on the Account. (vi) The Bank will charge a minimum finance charge of \$1.00 in any billing cycle if the finance charge as calculated above is less than \$1.00. (vii) Each payment that you make will be applied to reduce the outstanding balance of the Account and replenish your available credit line. (viii) The Bank may refuse to extend further credit if the amount of a requested charge plus your existing balance exceeds your credit limit.

P1.5 **Account Cancellation and Suspension.** (a) The Bank may at any time close or suspend the Account, and may refuse to allow further charges to the Account. (b) Cancellation or suspension will not affect your obligation to pay any amounts you owe.

P1.6 **Amendments; Electronic Delivery; Termination.** (a) The Bank can amend any of the provisions and terms related to the Program at any time by written notice to you (including by electronic notice via the email address that is then on file for you). You are consenting to electronic delivery of any amendments to the Program terms. (b) Each time you use the Program, you are signifying your acceptance of the terms then in effect. (c) An amendment becomes effective on the date stated in the notice and will apply to any outstanding balance on the Account. (d) The Bank may terminate the Program at any time and will notify you in the event of any termination. (e) Any outstanding obligation will survive termination of the Program.

P1.7 **Governing Law.** The Program and any advances are governed by and construed in accordance with the laws of the State of Utah and applicable federal law.

P1.8 **USA PATRIOT Act.** (a) Federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account. (b) The Bank asks that you provide identifying information, including your address and taxpayer identification number. (c) The Bank may also ask

for additional identifying information, where appropriate, including asking that your representative who is opening the Account provide his/her name, address, date of birth, driver's license and/or other documents and information that will allow the Bank to identify him/her.

Pursuant to Neb. Rev. Stat. § 84-602.04, all State contracts in effect as of January 1, 2014 will be posted to a public website beginning July 1, 2014. All non-proprietary or confidential information as defined by State Law WILL BE POSTED FOR PUBLIC VIEWING.

e. INDEPENDENT CONTRACTOR

It is agreed that nothing contained herein is intended or should be construed in any manner as creating or establishing the relationship of partners between the parties hereto. The contractor represents that it has, or will secure at its own expense, all personnel required to perform the services under the contract. The contractor's employees and other persons engaged in work or services required by the contractor under the contract shall have no contractual relationship with the State; they shall not be considered employees of the State.

f. CONTRACTOR RESPONSIBILITY

The contractor is solely responsible for fulfilling the contract, with responsibility for all services offered and products to be delivered as stated in the contract. The contractor shall be the sole point of contact regarding all contractual matters.

If the contractor intends to utilize any subcontractors' services, the subcontractors' level of effort, tasks and time allocation must be clearly defined in the contract. The contractor shall agree that it will not utilize any subcontractors not specifically included in this contract, in the performance of the contract, without the prior written authorization of the State. Following execution of the contract, the contractor shall proceed diligently with all services and shall perform such services with qualified personnel in accordance with the contract.

g. CONTRACTOR PERSONNEL

The contractor warrants that all persons assigned to the project shall be employees of the contractor or specified subcontractors, and shall be fully qualified to perform the work required herein. Personnel employed by the contractor to fulfill the terms of the contract shall remain under the sole direction and control of the contractor. The contractor shall include a similar provision in any contract with any subcontractor selected to perform work on the project.

- 5) determining the hours to be worked and the duties to be performed by the contractor's employees.

Notice of cancellation of any required insurance policy must be submitted to the State when issued and a new coverage binder shall be submitted immediately to ensure no break in coverage.

h. STATE OF NEBRASKA PERSONNEL RECRUITMENT PROHIBITION

The contractor shall make a good faith effort not to, at any time, knowingly recruit or employ any State employee or agent who is working with the contract or in relation to this contract.

i. CONFLICT OF INTEREST

The contractor certifies that there does not now exist any relationship between the contractor and any person or entity which is or gives the appearance of a conflict of interest related to this contract or project.

The contractor certifies that it shall not take any action or acquire any interest, either directly or indirectly, which will conflict in any manner or degree with the performance of its services hereunder or which creates an actual or appearance of conflict of interest.

The contractor certifies that it will not employ any individual known by contractor to have a conflict of interest.

j. ATTORNEY'S FEES

In the event of any litigation, appeal or other legal action to enforce any provision of the contract, the Parties agree to pay all expenses of such action, as permitted by law and ordered by the court, including attorney's fees and costs, if the other Party prevails.

k. SITE RULES AND REGULATIONS

The contractor shall use its best efforts to ensure that its employees, agents and subcontractors comply with site rules and regulations while on State premises. If the contractor must perform on-site work outside of the daily operational hours set forth by the State, it must make arrangements with the State to ensure access to the facility and the equipment has been arranged. No additional payment

m. **EARLY TERMINATION**

The contract may be terminated as follows:

- 1) The State and the contractor, by mutual written agreement, may terminate the contract at any time.
- 2) The State may terminate the contract immediately for any of the following reasons:

n. **FUNDING OUT CLAUSE OR LOSS OF APPROPRIATIONS**

The State may terminate the contract, in whole or in part, in the event funding is no longer available. The State's obligation to pay amounts due for fiscal years following the current fiscal year is contingent upon legislative appropriation of funds for the contract. Should said funds not be appropriated, the State may terminate the contract with respect to those payments for the fiscal years for which such funds are not appropriated. The State will give the contractor written notice thirty (30) days prior to the effective date of any termination, and advise the contractor of the location (address and room number) of any related equipment. All obligations of the State to make payments after the termination date will cease and all interest of the State in any related equipment will terminate. The Contractor shall be entitled to receive just and equitable compensation for any authorized work which has been satisfactorily completed as of the termination date. In no event shall the contractor be paid for a loss of anticipated profit.

o. **PROHIBITION AGAINST ADVANCE PAYMENT**

p. **PAYMENT**

State will render payment to contractor when the terms and conditions of the contract and specifications have been satisfactorily completed on the part of the contractor as solely determined by the State. Payment will be made by the responsible agency in compliance with the State of Nebraska Prompt Payment Act (See Neb. Rev. Stat. §81-2401 through 81-2408). The State may require the Contractor to accept payment by electronic means such as ACH deposit. In no event shall the State be responsible or liable to pay for any services/goods provided by the contractor prior to receipt, and the contractor hereby waives any claim or cause of action for any such services/goods

Led by the State of **Arizona**

q. **INVOICES**

Invoices for payments must be submitted by the Contractor to the agency requesting the services/goods with sufficient detail to support payment. The terms and conditions included in the Contractor's invoice shall be deemed to be solely for the convenience of the parties. No terms or conditions of any such invoice shall be binding upon the State, and no action by the State, including without limitation the payment of any such invoice in whole or in part, shall be construed as binding or estopping the State with respect to any such term or condition, unless the invoice term or condition has been previously agreed to by the State as an amendment to the contract.

r. **TAXES**

Purchases of goods or services made by the State of Nebraska are exempt from the payment of Federal Excise Taxes, and exemption certificates will be furnished on request. State and local taxes are exempt by State Statute Section 77-2704 (1) (m). Exemption by statute precludes the furnishing of State exemption certificates.

s. **CHANGES IN SCOPE/CHANGE ORDERS**

The State may, at any time with written notice to the Contractor, make changes within the general scope of the contract. Changes in scope shall only be conducted with the written approval of the State's designee as so defined by the State from time to time. Corrections of any deliverable services/goods or performance of work required pursuant to the contract shall not be deemed a modification requiring a change order.

The State and the Contractor, upon the written agreement, may make changes to the contract within the general scope of the RFP. Changes may involve specifications, the quantity of work, or such other items as the State may find necessary or desirable. Corrections of any deliverable, service, or work required pursuant to the contract shall not be deemed a change. The Contractor may not claim forfeiture of the contract by reasons of such changes.

The Contractor shall prepare a written description of the work required due to the change and an itemized cost sheet for the change. Changes in work and the amount of compensation to be paid to the Contractor shall be determined in accordance with applicable unit prices if any, a pro-rated value, or through negotiations. The State shall not incur a price increase for changes that should have been included in the Contractor's proposal, were foreseeable, or result from difficulties with or failure of the Contractor's proposal or performance.

No change shall be implemented by the Contractor until approved by the State, and the Contract is amended to reflect the change and associated costs, if any. If there is a dispute regarding the cost, but both parties agree that immediate implementation is necessary, the change may be implemented, and cost negotiations may continue with both Parties retaining all remedies under the contract and law.

t. **LIMITATION OF LIABILITY**

It is understood by the parties that in the State of Nebraska's opinion, any limitation on the contractor's liability is unconstitutional under the Nebraska State Constitution, Article XIII, Section 3,

MAILROOM EQUIPMENT, SUPPLIES &

and that any limitation of liability shall not be binding on the State of Nebraska despite inclusion of such language in documents supplied with the contractor's bid or in the final contract.

u. **INDEMNIFICATION**

1) **GENERAL**

The contractor agrees to defend, indemnify, hold, and save harmless the State and its employees, volunteers, agents, and its elected and appointed officials ("the indemnified parties") from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses ("the claims"), sustained or asserted against the State, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the Contractor, its employees, subcontractors, consultants, representatives, and agents, except to the extent such Contractor liability is attenuated by any action of the State or its employees, or its elected and appointed officials which directly and proximately contributed to the claims.

2) **PERSONNEL**

The contractor shall, at its expense, indemnify and hold harmless the State from and against any claim with respect to withholding taxes, worker's compensation, employee benefits, or any other claim, demand, liability, damage, or loss of any nature relating to any of the personnel provided by the Contractor.

All claims on behalf of any person arising out of employment or alleged employment (including without limit claims of discrimination against the Contractor, its officers or its agents) shall in no way be the responsibility of the State. The Contractor will hold the State harmless from any and all such claims. Such personnel or other persons shall not require nor be entitled to any compensation, rights or benefits from the State including without limit, tenure rights, medical and hospital care, sick and vacation leave, severance pay or retirement benefits.

v. **SELF-INSURANCE**

The State of Nebraska is self-insured for any loss and purchases excess insurance coverage pursuant to Neb. Rev. Stat. § 81-8,239.01 (Reissue 2008). If there is a presumed loss under the provisions of this agreement, Contractor may file a claim with the Office of Risk Management pursuant to Neb. Rev. Stat. §§ 81-8,829 – 81-8,306 for review by the State Claims Board. The State retains all rights and immunities under the State Miscellaneous (Section 81-8,294), Tort (Section 81-8,209), and Contract Claim Acts (Section 81-8,302), as outlined in Neb. Rev. Stat. § 81-8,209 et seq. and under any other provisions of law and accepts liability under this agreement to the extent provided by law.

Notwithstanding any clause to the contrary, any claim for additional fees, interest (unless authorized by statute), penalties, damages, costs, or other financial liabilities shall be made under this clause.

y. **EMPLOYEE WORK ELIGIBILITY STATUS**

The Contractor is required and hereby agrees to use a federal immigration verification system to determine the work eligibility status of employees physically performing services within the State of Nebraska. The DMT Product line may be leased through three third party lending companies. The preferred lending company is PNC Equipment Finance. The two alternative lending companies are IBM Credit LLC and Municipal Asset Management, Inc. Separate lease terms apply which can be accessed at the following link:

Pitney Bowes Global Financial Services offers a variety of equipment leasing and lease/rental programs to enable your agency to acquire the equipment it needs with the innovative financing solution that works best for you. This Agreement cannot be used for Production Equipment Categories (Folders-Inserters Production, Inserters-Production, Pre-sorting Equipment Production and Software License and Subscriptions applicable to DMT Production Mail Equipment) awarded under ADSP016-00006328, as amended- to Pitney Bowes Inc.

TERM RENTAL (INSTALLMENT PURCHASE) - Option A

This program provides a 36, 48 or 60 Month Lease and is available only to city and state agencies, such as public school districts, municipal hospitals, police and fire departments. Due to the tax exempt status of the Lessee, rates are much lower than standard Fair Market Value Lease rates. Title to the Equipment passes up front and at the end of the lease term, lessee owns the equipment (excluding meter). (Non-profits, private universities & schools and non-State or Local agencies are excluded from this program). Sales & Purchase Tax will be charged, if required under Your State Statute.

FAIR MARKET VALUE/Rental (OPERATING LEASE) - Option B

This program provides you with 36, 48 or 60 Month Rental. At the end of the rental period, you may purchase the equipment at the end of the Rental for its then Fair Market Value, or you can enter into a new Rental term or return the equipment. This includes cancellation for convenience with a termination charge of 90 day notice of cancellation and pay one quarterly payment. Sales & Purchase Tax will be charged, if required under Your State Statute.

FAIR MARKET VALUE LEASE - Option C

This program provides you with a 36, 48 or 60 Month lease term with the option to purchase the equipment at the end of the lease for its then Fair Market Value, or you can continue leasing the equipment based on its Fair Market Value, or return the equipment. Sales & Purchase Tax will be charged, if required under Your State Statute.

For further clarification a 36 month lease based on a \$10,000 equipment order the Quarterly payment would equal a \$326.00 monthly equipment lease payment multiplied by 3 months equaling a \$978 Quarterly lease payment. You shall, at all times, do and perform all acts and things necessary and within your control in order to assure that such interest component shall be so excluded. If any interest is determined not to be excludible from gross income, your Quarterly Payment shall be adjusted in an amount sufficient to maintain our original after tax yield utilizing our consolidated marginal tax rate, which adjusted Quarterly Payments you agree to pay as provided in this Agreement, subject to Section L10. The rate at which the interest portion of Quarterly Payments is calculated is not intended to exceed the maximum rate or amount of interest permitted by applicable law. If such interest portion exceeds such maximum, then at our option, if permitted by law, the interest portion will be reduced to the legally permitted maximum amount of interest, and any excess will be used to reduce the principal amount of your obligation or be refunded to you. You shall not do (or cause to be done) any act which will cause, or by omission of any act allow, this Agreement to be an "arbitrage bond" within the meaning of Section 148(a) of the Code or a "private activity bond" within the meaning of Section 141(a) of the Code. At the time of your execution of this Agreement, you shall provide us with a properly prepared and executed copy of the appropriate US Treasury Form 8038-G or 8038-GC and you appoint us as your agent for the purpose of maintaining a registration system as required by Section 149(a) of the Code. OPTION C -- NASPO VALUEPOINT FAIR MARKET VALUE LEASE TERMS AND CONDITIONS:

Pitney Bowes Global Financial Services LLC will serve as a sub-contractor under ADSPO16-169897, as amended, and will be the Lessor under this Fair Market Value Lease Terms and Condition Agreement. PBGFS does not warrant, service or otherwise support the equipment. Those services are provided by Pitney Bowes Inc. (PBI). Due to federal regulations, only PBI can own a Meter. This Agreement cannot be used for Production Equipment Categories (Production Ink Jet Envelope Addressing System, Production Tabbers, Inserter Production, Production Folder-Inserter, Pre-Sorting Equipment) awarded under ADSPO16-00006328- to Pitney Bowes Inc.

The Pricing Plan for the NASPO ValuePoint Fair Market Value Lease Terms and Conditions is as follows:

Monthly Rate Factors:

<u>Term:</u>	<u>Lease Rate:</u>
36	.0342
48	.0277
60	.0237

Total Value of the Order multiplied by the applicable Monthly Rate Factor = Monthly Equipment Lease Payment, plus applicable monthly meter rental and value based service fees, plus the monthly cost of service maintenance for years 2 thru end of initial term, plus any applicable taxes, multiplied by three (3) months = equals the Quarterly Payment.

For further clarification a 36 month lease based on a \$10,000 equipment order would equal a \$342.00 monthly equipment lease payment multiplied by 3 months equaling a \$1,026 quarterly lease payment. Applicable quarterly cost of service maintenance for years 2 thru end of initial term, quarterly meter rental and value based services fees, plus any taxes, if applicable, would be added to the Quarterly payment.

In the event of a partial payment, you will be responsible for the unpaid balance.

P1.4 Deferred Payment Terms. (a) By using the Program, you agree that whenever there is an unpaid balance outstanding on the Account which is not paid in full by the due date shown on your billing statement, the Bank will charge you, and you will pay, interest on the unpaid balance of the Account from time to time, for each day from the date the transaction is posted to the Account until the date the unpaid balance is paid in full, at a variable rate equal to the Annual Percentage Rate applicable to the Account from time to time. (b) (i) The Annual Percentage Rate applicable to the Account will be: the greater of (a) 22% and (b) the sum of the highest "Prime Rate" published in the "Money Rates" section of *The Wall Street Journal* on the last business day of the month and the margin set forth below (the sum of the margin and the Prime Rate is herein called the "Floating Rate"). (ii) The Annual Percentage Rate will be adjusted on a monthly basis based on any fluctuation in the Floating Rate, if applicable. (iii) Any change in the Annual Percentage Rate based on the calculation described in this section will become effective on the first day of your next billing cycle. (iv) The margin which will be added to the Prime Rate to determine the Floating Rate will be 14.75% (using the Prime Rate in effect as of March 31, 2013, the daily periodic rate would be .049315% and the corresponding annual percentage rate would be 18.00%). (v) The Account balance that is subject to a finance charge each day will include (a) outstanding balances, minus any payments and credits received by the Bank on the Account that day, and (b) unpaid interest, fees, and other charges on the Account. (vi) The Bank will charge a minimum finance charge of \$1.00 in any billing cycle if the finance charge as calculated above is less than \$1.00. (vii) Each payment that you make will be applied to reduce the outstanding balance of the Account and replenish your available credit line. (viii) The Bank may refuse to extend further credit if the amount of a requested charge plus your existing balance exceeds your credit limit.

P1.5 Account Cancellation and Suspension. (a) The Bank may at any time close or suspend the Account, and may refuse to allow further charges to the Account. (b) Cancellation or suspension will not affect your obligation to pay any amounts you owe.

P1.6 Amendments; Electronic Delivery; Termination. (a) The Bank can amend any of the provisions and terms related to the Program at any time by written notice to you (including by electronic notice via the email address that is then on file for you). You are consenting to electronic delivery of any amendments to the Program terms. (b) Each time you use the Program, you are signifying your acceptance of the terms then in effect. (c) An amendment becomes effective on the date stated in the notice and will apply to any outstanding balance on the Account. (d) The Bank may terminate the Program at any time and will notify you in the event of any termination. (e) Any outstanding obligation will survive termination of the Program.

P1.7 Governing Law. The Program and any advances are governed by and construed in accordance with the laws of the State of Utah and applicable federal law.

P1.8 USA PATRIOT Act. (a) Federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account. (b) The Bank asks that you provide identifying information, including your address and taxpayer identification number. (c) The Bank may also ask

Solicitation # ADSPO16-00006328

Section 1: NASPO ValuePoint Solicitation - General Information

1.1. Purpose

The State of Arizona, State Procurement Office is requesting proposals for Mailroom Equipment, Supplies and Maintenance in furtherance of the NASPO ValuePoint Cooperative Purchasing Program. The purpose of this Request for Proposals (RFP) is to establish Master Agreements with qualified offerors to provide Mailing Equipment, Supplies and Maintenance, in all applicable volume ranges from ultra-low volume through production environment equipment, to include a wide scope of products to meet the mailing needs for all Participating States.

The objective of this RFP is to obtain best value, and achieve more favorable pricing, than is obtainable by an individual state or local government entity because of the collective volume of potential purchases by numerous state and local government entities. The Master Agreement(s) resulting from this procurement may be used by state governments (including departments, agencies, institutions), institutions of higher education, political subdivisions (e.g., colleges, school districts, counties, cities, etc.), the District of Columbia, territories of the United States, and other eligible entities subject to approval of the individual state procurement director and compliance with local statutory and regulatory provisions. The initial term of the master agreement shall be two (2) years with renewal provisions as outlined in Section 6 of the NASPO ValuePoint Master Terms and conditions.

It is anticipated that this RFP may result in Master Agreement awards to multiple contractors, in the Lead State's discretion.

This RFP is designed to provide interested Offerors with sufficient information to submit proposals meeting minimum requirements, but is not intended to limit a proposal's content or exclude any relevant or essential data. Offerors are encouraged to expand upon the specifications to add service and value consistent with state requirements.

This solicitation is a replacement for the expiring Master Agreement for the State of Arizona and NASPO ValuePoint.

NASPO ValuePoint Program Provisions

3. Term of the Master Agreement

a. The initial term of this Master Agreement is for Two (2) years. This Master Agreement may be extended beyond the original contract for up to 36 months (not to exceed a 5-year maximum) at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance.

b. The Master Agreement may be extended for a reasonable period of time, not to exceed six months, if in the judgment of the Lead State a follow-on, competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection shall not be deemed to limit the authority of a Lead State under its state law otherwise to negotiate contract extensions.

4. Amendments

The terms of this Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

5. Participants and Scope

a. Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. purchase order or contract) used by the Purchasing Entity to place the Order.

b. Use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

c. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating Entities who are states are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating Entities who are states incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.

d. NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.

e. Participating Addenda shall not be construed to amend the following provisions in this Master Agreement between the Lead State and Contractor that prescribe NASPO ValuePoint Program requirements: Term of the Master Agreement; Amendments; Participants and Scope; Administrative Fee; NASPO ValuePoint Summary and Detailed Usage Reports; NASPO ValuePoint Cooperative Program Marketing and Performance Review; NASPO ValuePoint eMarketCenter; Right to Publish; Price and Rate Guarantee Period; and Individual Customers. Any such language shall be void and of no effect.

f. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Official of the state where the Participating Entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

g. **Resale.** "Resale" means any payment in exchange for transfer of tangible goods, software, or assignment of the right to services. Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products (the definition of which includes services that are deliverables). Absent any such condition or explicit permission, this limitation does not prohibit: sales of Products to the general public as surplus property; and fees associated with inventory transactions

with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

6. Administrative Fees

a. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee shall be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

b. Additionally, some states may require an additional fee be paid directly to the state only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. The NASPO ValuePoint Administrative Fee in subsection 6a shall be based on the gross amount of all sales (less any charges for taxes or shipping) at the adjusted prices (if any) in Participating Addenda.

7. NASPO ValuePoint Summary and Detailed Usage Reports

In addition to other reports that may be required by this solicitation, the Contractor shall provide the following NASPO ValuePoint reports.

The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at <http://www.naspo.org/WNCPO/Calculator.aspx>. Any/all sales made under this Master Agreement shall be reported as cumulative totals by state. Even if Contractor experiences zero sales during a calendar quarter, a report is still required. Reports shall be due no later than thirty (30) days following the end of the calendar quarter (as specified in the reporting tool).

The report shall be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and

NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports shall be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal, email, CD-ROM, flash drive or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports shall include sales information for all sales under Participating Addenda executed under this Master Agreement. The format for the detailed sales data report is in shown in Attachment H.

c. Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating Addendum. Report data for employees should be limited to ONLY the state and entity they are participating under the authority of (state and agency, city, county, school district, etc.) and the amount of sales. No personal identification numbers, e.g. names, addresses, **social security numbers or any other numerical identifier**, may be submitted with any report.

d. Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.

e. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

8. NASPO ValuePoint Cooperative Program Marketing and Performance Review

a. Contractor agrees to work cooperatively with NASPO ValuePoint personnel. Contractor agrees to present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the Master agreement and participating addendum process, and the manner in which qualifying entities can participate in the Master Agreement.

b. Contractor agrees to participate in an annual contract performance review at a location selected by the Lead State and NASPO ValuePoint, which may include a discussion of marketing action plans, target strategies, marketing materials, as well as Contractor reporting and timeliness of payment of administration fees.

9. NASPO ValuePoint eMarket Center

a. In July 2011, NASPO ValuePoint entered into a multi-year agreement with SciQuest,

Inc. whereby SciQuest will provide certain electronic catalog hosting and management services to enable eligible NASPO ValuePoint's customers to access a central online website to view and/or shop the goods and services available from existing NASPO ValuePoint Cooperative Contracts. The central online website is referred to as the NASPO ValuePoint eMarket Center.

The Contractor is required at a minimum to participate in the eMarket Center through Ordering Instructions.

c. At a minimum, the Contractor agrees to the following timeline: NASPO ValuePoint eMarket Center Site Admin shall provide a written request to the Contractor to begin Ordering Instruction process. 10. Right to Publish

Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan. The Contractor shall not make any representations of NASPO ValuePoint's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent. Failure to adhere to this requirement may result in termination of the Master Agreement for cause.

11. Price and Rate Guarantee Period

All prices and rates must be guaranteed for the initial term of the Master Agreement. *All discounts off Manufacturer's Suggested Retail Price are the minimum allowed throughout the term of the MPA including any optional year extensions.* Following the initial Master Agreement period, any request for price or rate adjustment must be for an equal guarantee period, and must be made at least Ninety (90) Days prior to the effective date. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individuals

Administration of Orders

13. Ordering

a. Master Agreement order and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.

b. Purchasing Entities may define project-specific requirements and informally compete the requirement among companies having a Master Agreement on an “as needed” basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity’s rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost and other factors considered.

c. Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

d. Orders may be placed consistent with the terms of this Master Agreement during the term of the Master Agreement.

f. All communications concerning administration of Orders placed shall be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.

g. Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement. Contractor is reminded that financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

h. Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation or termination of this Master Agreement, or otherwise inconsistent with its terms. Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

14. Shipping and Delivery

a. The prices are the delivered price to any Purchasing Entity. All deliveries shall be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor. Responsibility and liability for loss or damage shall remain the Contractor's until final inspection and acceptance when responsibility shall pass to the Purchasing Entity except as to latent defects, fraud and Contractor's warranty obligations. The minimum shipment amount, if any, will be found in the special terms and conditions. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered shall be shipped without charge.

b. All deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton shall be marked with the commodity, brand, quantity, item code number and the Purchasing Entity's Purchase Order number

15. Laws and Regulations

Any and all Products offered and furnished shall comply fully with all applicable Federal and State laws and regulations.

16. Inspection and Acceptance

a. Where the Master Agreement or an Order does not otherwise specify a process for inspection and Acceptance, this section governs. This section is not intended to limit rights and remedies under the applicable commercial code.

b. All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement. Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use. Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.

If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action to ensure that future performance conforms to contract requirements; and reduce the contract price to reflect the reduced value of services performed.

c. The warranty period shall begin upon Acceptance.

d. Acceptance Testing may be explicitly set out in a Master Agreement to ensure conformance to an explicit standard of performance. Acceptance Testing means the process set forth in the Master Agreement for ascertaining that the Product meets the standard of performance prior to Acceptance by the Purchasing Entity. If Acceptance Testing is prescribed, this subsection applies to applicable Products purchased under this Master Agreement, including any additional, replacement, or substitute Product(s) and any Product(s) which are modified by or with the written approval of Contractor after Acceptance by the Purchasing Entity. The Acceptance Testing period shall be thirty (30) calendar days or other time period identified in this Master Agreement or the Participating Addendum, starting from the day after the Product is delivered or, if installed, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing. If the Product does not meet the standard of performance during

the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met. Upon rejection, the Contractor will have fifteen (15) calendar days to cure the standard of performance issue(s). If after the cure period, the Product still has not met the standard of performance, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor. Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section. No Product shall be deemed Accepted and no charges shall be paid until the standard of performance is met. The warranty period shall begin upon Acceptance.

17. Payment

Payment after Acceptance is normally made within 30 days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum, Order, or otherwise prescribed by applicable law. Payments will be remitted by mail or electronic transfer. Payments may be made via a State or political subdivision "Purchasing Card" with no additional charge.

18. Warranty

Warranty provisions govern where specified elsewhere in the documents that constitute the Master Agreement; otherwise this section governs. The Contractor warrants for a period of one year from the date of Acceptance that: (a) the Product performs according

to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Purchasing Entity has relied on the Contractor's skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects. Upon breach of the warranty, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made. The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

19. Title of Product

Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Product free and clear of all liens, encumbrances, or other security interests. Transfer of title to the Product shall include an irrevocable and perpetual license to use any Embedded Software in the Product. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license shall be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

20. License of Pre-Existing Intellectual Property

Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it

("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third party rights in the Pre-existing Intellectual Property.

eMarket Center Appendix

a. This Appendix applies whenever a catalog hosted by or integration of a punchout site with eMarket Center is required by the solicitation or either solution is proposed by a Contractor and accepted by the Lead State.

b. Supplier's Interface with the eMarket Center. There is no cost charged by SciQuest to the Contractor for loading a hosted catalog or integrating a punchoutsite.

c. At a minimum, the Contractor agrees to the following:

(1) Implementation Timeline: NASPO ValuePoint eMarket Center Site Admin shall provide a written request to the Contractor to begin enablement process. The Contractor shall have fifteen (15) days from receipt of written request to work with NASPO ValuePoint and SciQuest to set up an enablement schedule, at which time SciQuest's technical documentation shall be provided to the Contractor. The schedule will include future calls and milestone dates related to test and go live dates. The contractor shall have a total of Ninety (90) days to deliver either a (1) hosted catalog or (2) punch-out catalog, from date of receipt of written request.

(2) NASPO ValuePoint and SciQuest will work with the Contractor, to decide which of the catalog structures (either hosted or punch-out as further described below) shall be provided by the Contractor. **Whether hosted or punch-out, the catalog must be strictly limited to the Contractor's awarded contract offering (e.g. products and/or services not authorized through the resulting cooperative contract should not be viewable by NASPO ValuePoint Participating Entity users).**

(a) Hosted Catalog. By providing a hosted catalog, the Contractor is providing a list of its awarded products/services and pricing in an electronic data file in a format acceptable to SciQuest, such as Tab Delimited Text files. In this scenario, the Contractor must submit updated electronic data [Insert Time Frame Here] to the eMarket Center for the Lead State's approval to maintain the most up-to-date version of its product/service offering under the cooperative contract in the eMarket Center.

(b) Punch-Out Catalog. By providing a punch-out catalog, the Contractor is providing its own online catalog, which must be capable of being integrated with the eMarket Center as a. Standard punch-in via Commerce eXtensible Markup Language (cXML). In this scenario, the Contractor shall validate that its online catalog is up-to-date by providing a written update to the Lead State stating they have audited the offered products/services and pricing listed on its online catalog. The site must also return detailed UNSPSC codes (as outlined in line 3) for each line item. Contractor also agrees to provide e-Quote functionality to facilitate volume discounts.

d. Revising Pricing and Product Offerings: Any revisions to product/service offerings

(new products, altered SKUs, new pricing etc.) must be pre-approved by the Lead State and shall be subject to any other applicable restrictions with respect to the frequency or amount of such revisions. However, no cooperative contract enabled in the eMarket Center may include price changes on a more frequent basis than once per year. The following conditions apply with respect to hosted catalogs:

(1). Updated pricing files are required by the 1st of the month and shall go into effect in the eMarket Center on the 1st day of the following month (i.e. file received on 1/01/13 would be effective in the eMarket Center on 2/01/13). Files received after the 1st of the month may be delayed up to a month (i.e. file received on 11/06/09 would be effect in the eMarket Center on 1/01/10).

(2) Lead State-approved price changes are not effective until implemented within the eMarket Center. Errors in the Contractor's submitted pricing files will delay the implementation of the price changes in eMarket Center.

e. Supplier Network Requirements: Contractor shall join the SciQuest Supplier Network (SQSN) and shall use the SciQuest's Supplier Portal to import the Contractor's catalog and pricing, into the SciQuest system, and view reports on catalog spend and product/pricing freshness. The Contractor can receive orders through electronic delivery (cXML) or through low-tech options such as fax. More information about the SQSN can be found at: www.sciquest.com or call the SciQuest Supplier Network Services team at 800-233-1121.

f. Minimum Requirements: Whether the Contractor is providing a hosted catalog or a punch-out catalog, the Contractor agrees to meet the following requirements:

(1) Catalog must contain the most current pricing, including all applicable administrative fees and/or discounts, as well as the most up-to-date product/service offering the Contractor is authorized to provide in accordance with the cooperative contract; and

(2) The accuracy of the catalog must be maintained by Contractor throughout the duration of the cooperative contract between the Contractor and the Contract Administrator; and

(3) The Catalog must include a Lead State contract identification number; and

(4) The Catalog must include detailed product line item descriptions; and

(5) The Catalog must include pictures when possible; and

(6) The Catalog must include any additional NASPO ValuePoint and Participating Addendum requirements. Although suppliers in the SQSN normally submit one (1) catalog, it is possible to have multiple contracts applicable to different NASPO ValuePoint Participating Entities. For example, a supplier may have different pricing for

state government agencies and Board of Regents institutions. Suppliers have the ability and responsibility to submit separate contract pricing for the same catalog if applicable. The system will deliver the appropriate contract pricing to the user viewing the catalog.

g. Order Acceptance Requirements: Contractor must be able to accept Purchase Orders via fax or cXML. The Contractor shall provide positive confirmation via phone or email within 24 hours of the Contractor's receipt of the Purchase Order. If the Purchasing Order is received after 3pm EST on the day before a weekend or holiday, the Contractor must provide positive confirmation via phone or email on the next businessday.

h. UNSPSC Requirements: Contractor shall support use of the United Nations Standard Product and Services Code (UNSPSC). UNSPSC versions that must be adhered to are driven by SciQuest for the suppliers and are upgraded every year. NASPO ValuePoint reserves the right to migrate to future versions of the UNSPSC and the Contractor shall be required to support the migration effort. All line items, goods or services provided under the resulting statewide contract must be associated to a UNSPSC code. All line items must be identified at the most detailed UNSPSC level indicated by segment, family, class and commodity. More information about the UNSPSC is available at: <http://www.unspsc.com> and <http://www.unspsc.com/FAQs.asp#howdoesunspscwork>.

i. Applicability: Contractor agrees that NASPO ValuePoint controls which contracts appear in the eMarket Center and that NASPO ValuePoint may elect at any time to remove any supplier's offering from the eMarket Center.

j. The Lead State reserves the right to approve the pricing on the eMarket Center. This catalog review right is solely for the benefit of the Lead State and Participating Entities, and the review and approval shall not waive the requirement that products and services be offered at prices (and approved fees) required by the Master Agreement.

k. Several NASPO ValuePoint Participating Entities currently maintain separate SciQuest eMarketplaces, these Participating Entities do enable certain NASPO ValuePoint Cooperative Contracts. In the event one of these entities elects to use this NASPO ValuePoint Cooperative Contract (available through the eMarket Center) but publish to their own eMarketplace, the Contractor agrees to work in good faith with the entity and NASPO ValuePoint to implement the catalog. NASPO ValuePoint does not anticipate that this will require substantial additional efforts by the Contractor; however, the supplier agrees to take commercially reasonable efforts to enable such separate SciQuest catalogs.

- 9.1. Cancellation for Conflict of Interest. Pursuant to A.R.S. § 38-511, the State may cancel this Contract within three (3) years after Contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the State is or becomes at any time while the Contract or an extension of the Contract is in effect an employee of or a consultant to any other party to this Contract with respect to the subject matter of the Contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time. If the Contractor is a political subdivision of the State, it may also cancel this Contract as provided in A.R.S. § 38-511.
- 9.2. Gratuities. The State may, by written notice, terminate this Contract, in whole or in part, if the State determines that employment or a Gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing the Contract, an amendment to the Contract, or favorable treatment concerning the Contract, including the making of any determination or decision about contract performance. - 9.3. Suspension or Debarment. The State may, by written notice to the Contractor, immediately terminate this Contract if the State determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of a contract shall attest that the contractor is not currently suspended or debarred. If the contractor becomes suspended or debarred, the contractor shall immediately notify the State.

In the event of termination under this paragraph, all documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State upon demand. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination. The cost principles and procedures provided in A.A.C. R2-7-701 shall apply.

- 9.5. Termination for Default.

9.5.1. In addition to the rights reserved in the contract, the State may terminate the Contract in whole or in part due to the failure of the Contractor to comply with any term or condition of the Contract, to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Contract. The Procurement Officer shall provide written notice of the termination and the reasons for it to the Contractor.

9.5.2. Upon termination under this paragraph, all goods, materials, documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State on demand.

9.5.3. The State may, upon termination of this Contract, procure, on terms and in the manner that it deems appropriate, materials or services to replace those under this Contract.
